## TEACHING EXPERIENCE

**History of Science in the Modern World** (HIST 20); *Teaching assistant*; UCSB; Summer 2016, Fall 2015. Course surveyed the history of science from the nineteenth century to the present. Concentrated on how we define "modern science" and how the production of reliable knowledge about the natural world has changed over time.

**Introduction to Latin American History** (HIST 8); *Teaching assistant*; UCSB; Spring 2016. Course examined the history of the part of the American continent known as "Latin America" from the pre-Columbian era to the present. Focused on the history of Latin America by emphasizing case studies and analysis of the main historical processes of Latin America through the 20th century.

**Empires in World History 1000 CE-1700 CE** (HIST 2B); *Teaching assistant*; UCSB; Winter 2016. Course explored major changes during this period through the lens of empire. Focused on how different empires emerged, competed, and forged governing strategies, political ideas, and human affiliations.

**Business Computing** (CSE 148); *Adjunct instructor*; Miami University; Fall 2009. An introduction to business-oriented computing skills for undergraduates. Extensive hands-on use of electronic spreadsheets and database software. Examples and exercises stressed problem solving in a business context.

---
